Level 1: The Elf Workshop Chaos

Task: Unscramble the Christmas Words

Welcome to the bustling Elf Workshop! The elves are busy making toys, but some of the Christmas words they use have been jumbled up! Solve these mixed-up words to help the elves cheer, "Hooray! A new toy is made!" Once you've unjumbled the words, shout, "Christmas magic unlocked!"

Level 3: Gingerbread Village Riddles

Crack the Christmas Riddles

Now you've reached the Gingerbread Village, where the gingerbread people LOVE riddles. But oh no! They've forgotten the answers to their favourite holiday riddles and need your help! Solve these festive puzzles to bring back the cheer and spread holiday magic across the North Pole!

1. I arrive once a year, bringing cheer. I'm red and white and fly with reindeer. Who am I?

Answer: Santa Claus

2. I'm a plant you might kiss under, green and white and a holiday wonder. What am I?

Answer: Mistletoe

3. I twinkle and shine, but I'm not a star. I light up the tree wherever you are. What am I?

Answer: Christmas lights

4. I'm made of snow, round as can be. I have a carrot nose and a smile of glee. Who am I?

Answer: Snowman

5. I'm hung by the fire, filled with treats just for you. On Christmas morning, you'll find goodies too. What am I?

Answer: Stocking

Final Level: The Christmas Puzzle Room

Task: Find the Festive Words

Welcome to the Christmas Puzzle Room! Santa needs some holiday magic, and the only way to bring it back is by finding all the festive words hidden in the puzzle.

Can you spot **BAUBLE**, **CHIMNEY**, **JOYFUL**, **PRESENT**, **REINDEER**, **RUDOLF**, **SANTA**, **TREE**?

Each word you find will help fill Santa's sleigh with Christmas cheer!

Good luck, adventurer!
